COMPLYRIGHT™

What is FAST FILE?

FAST FILE is an IRS-authorized, electronic-filing provider that offers an easy-to-use, online system, which makes the entry and filing of tax form data convenient and economical. FAST FILE includes 10 or 25 filings that are unlocked during checkout by entering the user code provided.

Why use FAST FILE?

Electronic filing has become the preferred method for 1099 and W-2 forms due to its accuracy, security and speed. Using FAST FILE eliminates the need to purchase software and paper forms, as well as the hassle of doing the printing and mailing. Instead, customers can enjoy a full e-file experience and delivery service from our secure SSAE 16 SOC 2 Type II facility by filing their forms using FAST FILE.

What's in the FAST FILE Card?

It includes 10 or 25 e-filings and recipient mailings, making it the perfect solution for small businesses.

ADVANTAGES OF USING FAST FILE:

- No software or paper forms needed – do it quickly and easily online
- Manage multiple payers with one account
- Save payer and recipient data to reuse each year
- Data is encrypted and recipient copies are printed and mailed from our SOC-certified facility
- PDF copies available to print any time
- Access to filings for four years
- File corrections, regardless of where the original was e-filed
- Receive instant notification that forms have been filed, accepted and mailed
- 1096 and W-3 data automatically included with e-file
- Helps ensure accuracy (1% error rate compared to 20% with paper tax returns) with on-screen validation

FAST FILE FEATURES:

- Includes 10 or 25 filings with print and mail to recipients
- Edit or make corrections on all tax forms before E-filing
- End-user support through live chat and email
- Import data from multiple file types (.txt, Quickbooks®, csv, Excel®)
